The Wenonah Farmers' Market will, as a service to the community, allow Sponsorships from businesses or organizations of a non-political, non-partisan, non-sectarian mission. These organizations will only be allowed to distribute information, no sales, or raffles will take place. All Sponsor applications are subject to review and acceptance by the Farmers Market Team.

We are so very grateful for your past support. The Woman's Club of Wenonah has two BIG celebrations this year, our 100 Year Anniversary, and our fifth year of the Farmers Market. Opening Day May 4, 2023 will be a celebration of both events bringing in not just our usual 1200 people, but many more from the New Jersey Federation of Women's Clubs to celebrate with us at an evening event after the market.

We hope we can count on your support to bring this fantastic event to the town and county.

We offer three levels of sponsorships as well as other donations for supporters who back our mission of promoting small business and healthy options and artisans from around New Jersey.

We look forward to working with you and hope to see you Thursdays from 4-7pm at the Market!

Please feel free to call with any questions and thank you for your support!

Vicki McCall
