The Wenonah Farmers' Market will, as a service to the community, allow Sponsorships from businesses or organizations of a non-political, non-partisan, non-sectarian mission. These organizations will only be allowed to distribute information, no sales, or raffles will take place. All Sponsor applications are subject to review and acceptance by the Farmers Market Team.

FARMERS MARKET 2024 IS HERE!

Your support is appreciated!

Sponsor donations and support enable us as a team to bring more to our community.

The Woman's Club of Wenonah is celebrating it's 6th year of the Farmers Market. Opening Day is May 2, 2024.

This year there will be weekly markets in May, June & September only and then the 3rd Thursdays in July and August.

Sponsors are part of what makes this happen. We hope we can count on you to continue all of our efforts to bring this fantastic Farmers Market to the town and community. It is an opportunity for you as a business to promote yourselves, meet the community, and of course support this wonderful borough event that brings together people from all over the county.

There are three levels of sponsorships for supporters who back our mission of promoting small business and healthy options and artisans from around New Jersey.

We are looking forward to working with you and hope to see you Thursdays from 4-7pm at the Market!

Please feel free to call with any questions and thank you!

Linda Helmbrecht
